

Biography

Leo Md Hasin Sharowar

Leo Advisory Panelist (2026-2028)

CA VI, District 315 B3, Bangladesh.

Since joining the Leo movement in 2021, Md Hasin Sharowar has been an active and dedicated member, committed to fostering leadership, service, and global unity. He served as President of the Leo Club of Dhaka Bandhan during the 2024–25 tenure, focusing on youth empowerment, international collaboration, and impactful community service.

Guided by his motto “We Rise With All” during his term, he initiated and led several significant projects, including the Leo Global Health Camp, which saw participation from clubs across Constitutional Area VI and directly served 16,394 individuals. Under his leadership, the club reached a total of approximately 20,000 people, demonstrating a strong commitment to service, inclusivity, and meaningful community impact.

Professionally, Md Hasin works as a System and Support Engineer at Tusuka Group, a leading RMG exporter in Bangladesh and sister concern of NOVOAIR, where he combines technical expertise with leadership skills to drive organizational growth and efficiency.

As a Panelist of the Leo Club Program Advisory Panel, he is dedicated to mentoring Leos, providing structured training, and fostering international collaboration. His vision is to empower young leaders to enhance their leadership and service capabilities while promoting unity across borders. Through his work, he aims to inspire Leos worldwide to learn, grow, and make a lasting positive impact on their communities.

Md Hasin continues to embody the spirit of Leoism, striving to ignite skills, inspire action, and leave a meaningful imprint on the global Leo movement.

Motto: “Ignite Your Skills, Inspire the World.”
